THE 44TH ANNUAL ATLANTIC ANTIC™ • SEPTEMBER 23, 2018 • VENDOR APPLICATION
FOR PARTICIPANTS SERVING AND/OR SELLING FOOD AT ATLANTIC ANTIC™
FOOD SERVICE ESTABLISHMENT GUIDELINES – PART A (PAGES 3 and 4)

All participants serving and/or selling food at the Atlantic Antic™ Festival must comply with all NYC Department of Health and Mental Hygiene outdoor event compliance.
The rules and guidelines are as follows:

FOOD PROTECTION CERTIFICATE

At least one supervisor of food operations at each stand must possess a Food Protection Certificate issued by the NYC Health Department and have the certificate available for inspection during all times of operation.

FOOD WORKERS/VENDORS

Supervisors of food operation shall follow all food safety guidelines and ensure that all food workers/vendors

- **MUST** wear caps, hats, hair nets or other hair coverings to effectively keep their hair from having contact with exposed food or food contact surfaces, and clean equipment or utensils that have contact with food.
- **CAN NOT** smoke within food stands, food prep and storage areas.
- **MUST** wash their hands before returning to work after smoking and/or using the restrooms.
- **NO** food workers/vendors shall work or shall be knowingly or negligently permitted to work in a food service establishment while afflicted with a boil or infected wound and unless he or she is free from acute, infectious diseases
- Supervisor of food operation **MUST** have their FPC certificates/equivalent with them at all times during operation.
- Food workers/vendors **SHALL** wear clean, washable outer garments when starting work and shall replace such garments with clean clothing as often as necessary thereafter to prevent contamination of food or food contact surfaces from soiled or contaminated clothing.

FOOD PROTECTION GUIDELINES

The Department of Health and Mental Hygiene Permit or receipt thereof, Certificates of Registration and Food Protection Certificates must be conspicuously posted at the Temporary Food Establishment whenever it is in operation.

Handwashing

- Wash your hands before starting work, and each time after contamination including coughing, sneezing or handling unclean items. Prepackaged moist towelettes (containing alcohol as a base ingredient) may be used to cleanse hands in non-processing establishments.
- Wash your hands with soap and water after using the toilet.

Food Protection and Storage

- **Never** allow bare hands to come in contact with food that will not be cooked. Use clean sanitized utensils, deli paper, disposable gloves, etc.
- Keep all foods covered or otherwise protected from outside contamination. Keep all food service equipment, utensils, and paper goods similarly protected from outside contamination.
- Never store raw foods, especially poultry and meats above raw or uncooked foods, or sanitized equipment, or in a manner that will contaminate other foods.
- Packaged food is not to be stored in contact with water or undrained ice. Use a mechanical refrigerator or dry ice. Wrapped sandwiches are not to be stored in direct contact with ice.
- Use only single service dishes and utensils for service to patrons. Handle single service eating utensils in a manner that prevents contamination of surfaces that come into contact with foods.
- Store all food, food service equipment, utensils, and paper goods off the ground at all times.
- Do not prepare foods if you are ill or have cuts or infections on your hands.
- Do not smoke, eat or drink while working. Wear clean outer garments and effective hair restraints.

Continued on next page

Food Preparation and Cooking Temperatures

- Prepare foods as close to transport or service time as possible.
- Cook poultry to at least 165°F (73.9°C).
- Cook pork or any food containing pork to at least 150°F (65.6°C).
- Cook rare beef to at least 130°F (54.4°C).
- Cook all other foods (except eggs) to at least 140°F (60°C).
- Cook shell eggs or foods containing shell eggs to at least 145°F.
- Reheat potentially hazardous hot foods to at least 165°F (73.9°C).
- Stir with a sanitized utensils.

Hot and Cold Holding

- Do not use steam tables or other hot holding devices to reheat foods. Use them only for hot holding of foods.
- Maintain all potentially hazardous hot foods at 140°F (60°C) or above.
- Maintain all potentially hazardous cold foods at 41°F (7.2°C) or below.
- Use an appropriately scaled metal stem or thermocouple thermometer to evaluate food temperatures, during holding, cooking, storing or reheating.

Food Protection

- Have a qualified supervisor for your establishment.
- Selling and/or serving Shellfish or Raw fish is strictly prohibited
- Sanitize all food contact surfaces and equipment. Chemical sanitization solution may be prepared by mixing one tablespoon of bleach with each gallon of cool, potable water. Do not add soap or detergent to the water, because they reduce the effectiveness of the solution. Rinse wiping cloths frequently in the sanitizing solution.

Structures and Equipment

- Ensure that the walls, base, floor and food contact surfaces are of sanitary construction, and made of non-corrosive, non-rusting metals. Surfaces must be waterproof, smooth, readily cleanable and resistant to dents and scratches.
- Provide proper waste receptacles. All waste receptacles must be vermin-proof and provided with tight-fitting lids.
- Enclose or guard cooking and serving surfaces to provide protection against air-borne contamination.
- Prevent accidental injury by contact with cooking devices. Shield cooking devices against possible contact with patrons.
- Properly secure propane tanks. Tanks must be in an upright (vertical) position and provided with a base plate anchor as security against accidental toppling. The connection from fuel tank to burner must be of either a rigid metal tube or an approved, flexible metal tube; connections at fuel tanks and burners must be free of leaks.

Water Requirements

- There are no sink or hot and cold water requirements for non-processing establishments; however, make available acceptable means of keeping hands clean (e.g., moist towelettes).
- Provide an adequate supply of potable (drinkable) water for food preparation, cleaning and sanitizing equipment, and hand washing in processing establishments.
- Place waste water into a leak-proof container labeled "waste water" with a tight-fitting lid.

ALL PARTICIPANTS SERVING AND/OR SELLING FOOD ARE RESPONSIBLE FOR COMPLYING WITH NYC DEPARTMENT OF HEALTH & MENTAL HYGIENE AND NYC BUREAU OF FOOD SAFETY & COMMUNITY SANITATION RULES AND GUIDELINES.

FAILURE TO COMPLY MAY RESULT IN FINES ISSUES BY THE CITY AGENCIES NAMED ABOVE OR FUTURE DENIAL OF PARTICIPATION AT ATLANTIC ANTIC™.
